SECTION I

Introduction

January 2005

The Resource Center at the California Department of Alcohol and Drug Programs (ADP) is pleased to present the 2005 Publications Catalog. More than 600 alcohol, tobacco, and other drug-related booklets, pamphlets, research papers, posters, program descriptions, technical manuals, and other helpful materials are included in the catalog and are available to California residents at no cost.

Publications in this catalog are gathered from many sources. The contents, opinions, and beliefs expressed in the publications are the views of the authors, and are not intended as official ADP policy. Questions or comments regarding these materials can be directed to the organization listed as the source in the appendix.

The catalog is divided into five sections:

Section I – Introduction

Provides information about the Resource Center services and the ordering process.

Section II – Subject Listing

Publications are separated by subject to provide assistance in selecting materials.

Section III – Numerical Listing

Publications are listed by number and include a description, number of pages, source, year published, and a website if downloadable from the Internet.

Section IV – Alphabetical Listing

Publications are listed by title, including the publication number, for ease in locating the publication description in the Numerical Listing.

Appendix – Publication Sources and Acronyms

Questions or comments regarding the catalog or our services can be directed to the Resource Center at 1-800-879-2772.

ABOUT THE RESOURCE CENTER

The Resource Center (RC), California Department of Alcohol and Drug Programs (ADP), maintains a comprehensive collection of alcohol, tobacco, and other drug (ATOD) prevention and treatment information. This information is provided to California residents at no cost through a Clearinghouse, a full-service Library, Internet communication links, and a telephone information and referral system. Services can be accessed by letter, fax, Internet, e-mail, telephone, or in person during the business hours of 8:00 a.m. to 4:30 p.m., Monday through Friday, excluding state holidays.

Following are brief descriptions of RC services:

CLEARINGHOUSE

More than 600 ATOD booklets, pamphlets, research papers, posters, technical manuals, and other printed materials are available upon request. The Clearinghouse not only provides information on an individual basis, but also provides materials for community meetings, conferences, workshops, schools, and prevention and treatment facilities.

LIBRARY

The RC Library maintains a collection of specialized alcohol and other drug reference sources including books, journals, reports, audiovisual and other source materials. These materials are available for loan directly to government agencies and organizations funded through county alcohol and drug programs, as well as through lending libraries. A Videocassette Catalog of audiovisual materials can be ordered through the RC Clearinghouse (Publication No. 3603).

INFORMATION, REFERRAL, AND ELECTRONIC COMMUNICATION

Two free statewide telephone numbers (1-800-879-2772) and (1-800-662-4357) are available for California residents to use in searching for treatment referral or prevention and treatment information. A long distance telephone service is also available at (916) 327-3728 and a TTY number at (916) 445-1942. **The Resource Center does NOT provide emergency information and does NOT operate a crisis line.**

Through an extension of ADP's home page (www.adp.ca.gov), the RC maintains a number of electronic communication links. The Publications Catalog and the Videocassette Catalog are available for viewing and can be downloaded in PDF format at http://www.adp.ca.gov/rc/rc_sub.shtml. The Publication Catalog is also available in a browse and search format.

HOW TO USE THE CATALOG

Table of Contents: To locate publications in the catalog, you can use the Table of Contents to locate page numbers of publications by subject, number, or alphabet.

Subject: Know the subject you are looking for? Under the subject heading, publication titles are listed in alphabetical order with the publication number. Some publications may be listed under more than one subject heading.

Numerical Listing: Know the publication number? This list includes a description of the publication with the number of pages, source, year published, and a web link if downloadable from the Internet.

Alphabetical Listing: Know the title? In addition to an alphabetical listing of publication titles, this list includes the publication number.

When you have found the materials you want to order, fill out the reproducible **Publications Order Form located on the following page (page v)**. Ordering information is located on the reverse side of the Order Form, and where to send your order is located on the top front of the Order Form and on the inside cover of the Publications Catalog.
